

A Global Partnership for Medical Student Exchange

GEMx is a global partnership for educational exchange in medicine and the health professions. GEMx Partners are medical schools and other institutions around the world that share a commitment to making international exchange a part of their education programs and to providing students in medicine and the health professions with increased access to exchange opportunities.

GEMx Core Values

Partnership • Exchange of Knowledge • Affordability • Accessibility

Benefits for Students

A World of Elective Opportunities

GEMx provides eligible students of GEMx Global Partner Schools with the ability to explore international elective exchange opportunities in medicine and the health professions that are offered by other GEMx Global Partners. Opportunities are offered through GEMx's innovative web-based exchange management and application system. By using the GEMx system, you benefit from:

- A greater number and variety of electives opportunities
- Access to real-world information that you need to make decisions about elective opportunities in one convenient location
- The convenience of exploring elective opportunities, comparing electives, and applying to an unlimited number of elective placements in one convenient location
- Affordability—GEMx charges no fees to students

Opportunities for Leadership

The GEMx Student Ambassador Network (SAN) empowers up to two students from each GEMx Global Partner School to take a leadership role in GEMx. GEMx Student Ambassadors have the opportunity to:

- Build leadership skills
- Gain experience in program development
- Create international friendships and professional connections
- Gain new global and cultural perspectives through collaboration with other members of the SAN and members of the GEMx team
- Receive support and guidance on related research projects from GEMx team members
- Receive a letter of recognition from GEMx acknowledging leadership role and contributions to the program
- Meet eligibility requirements to receive a US\$1,000 grant toward an elective exchange through GEMx

Am I Eligible to Participate?

To be eligible to take advantage of GEMx, your medical school must be a member of the GEMx Global Partnership. If your school is not currently participating in GEMx but may be interested in becoming a GEMx Partner, please have an appropriate representative at the institution contact us for more information.

Interested students from participating schools should contact their institutions directly to determine whether they are eligible to participate in an exchange elective through GEMx. Students who meet the eligibility requirements should establish a GEMx account at <https://students.gemxelectives.org> and contact the designated GEMx Program Managers at their institutions for guidance.
